"BURKE'S PEERAGE, BARONETAGE AND KNIGHTAGE,"

THE KING OF REFERENCE BOOKS.

This supreme work of reference, founded by John Burke in 1826, is now in its 101st year of publication.

Edited by the Burke family for nearly a century, it has consistently maintained the original aim of its founders, namely, accuracy and completeness. It has long established itself as the *Official* guide to the history and genealogy of the Titled Classes.

The book is profusely illustrated with Armorial Bearings, and the printing is of the highest quality.

BURKE is the ONLY publication which gives the relative positions of all who are entitled to Official Precedence, together with full details in regard to living AS WELL AS dead collateral branches, and also the names of all who are or have been in remainder to a title.

Old Editions of the work are often obtainable.

BROADLY speaking, all civilised men dress alike; but the best dressed men are tailored in London. Even in these sartorially prosaic days of Saxonies, Serges, and Tweeds, "Apparel oft proclaims the man," and now that it is possible to get the finest cut and workmanship at the extremely moderate prices of H. A. RAPKIN, to be other than immaculate is inexcusable.

Dress Suits - from 13 *Gns.*

"The Secret of Slenderness."

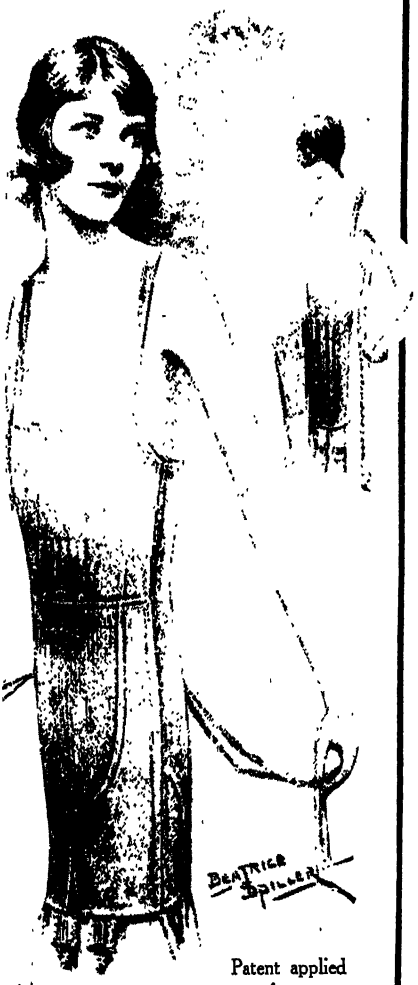

THE NEW "CORSLO AMINCI" FOR FULL FIGURES

The "Corslo Aminci" is an interesting addition to the famous Corslo Novelties designed by our Corsetière, whose originality has revolutionised modern corsetry. The "Corslo Aminci" gives that invisible support demanded by smart women of to-day, and with no break at the waistline is a perfect union of brassière and ceinture. It has a double front, the underpart is cleverly boned to give the necessary uplift to the abdomen, obviating in certain cases the necessity of wearing a surgical belt, and the specially arranged elastic holds the diaphragm in perfect comfort. The "Corslo Aminci" will at the same time mould the figure into long, graceful lines without any feeling of compression, forming a perfect foundation, and giving distinction and natural beauty of line to the most fashionable day and evening gowns, etc. The slim figure that requires surgical support will find the "Corslo Aminci" especially beneficial.

THE "CORSLO AMINCI" in cotton tricot with double front, boned back, closed or laced, fastening at left side, four pairs of suspenders, bones removable, and can be washed as easily as ordinary underclothes. In pink and white. Measurements: bust, waist and hips.

PRICE **4 Gns.**

In silk tricot or satin .. **7 Gns.**

Universal Appreciation has nearly doubled our business

The practical advantages of our Cleaning and Dyeing Service and the jealously guarded standard of our work, have increased our business to such an extent that we were compelled to acquire larger premises. Our present Head Office (No. 29 Duke Street) has been equipped at great cost and we believe there is no other shop of its kind in London which may be compared with it. Our charges remain at their modest level and every order receives prompt personal attention.

Our Manageress will gladly give advice on Cleaning and Dyeing at any time on request.
